

MYOB EXO Business for larger, more complex businesses

MYOB EXO Business is a complete fully integrated financial and business management system that gives you a true business management view of your entire operation. It consists of modules supporting Finance, Job Costing, Point of Sale, Fixed Assets, Customer Management, Reporting and Inventory Control.

Working with an MYOB Enterprise Solutions Partner, EXO Business can be customised to your business requirements and processes and provide a unified view of the internal and external factors affecting your business. MYOB EXO Business gives you direct access to the 'big picture' information you need to make critical business decisions.

WHO'S IT SUITABLE FOR?

EXO Business is suitable for larger more complex businesses that require:

- ◀ Strict accounting rules, no deleting transactions
- ◀ Multiple locations/divisions/branches support
- ◀ Highly functional general ledger with customised reporting and consolidation
- ◀ Management dashboards for graphical visibility into the business performance
- ◀ Advanced stock management including serial number tracking, bin management etc
- ◀ Extensive landed cost and shipment tracking for importers
- ◀ Foreign currency management for importers and exporters
- ◀ Deep job costing functionality including, quoting, labour charges, tracking and reporting
- ◀ Works orders and assembly of goods

COMPATIBILITY

Modules in our EXO Business suite are part of an integrated business solution and are fully compatible with each other, so you can add modules as and when you need to.

EXO Point of Sale

Combine an integrated financial application with powerful retail features.

EXO Fixed Assets

Keep track of depreciation schedules, maintenance and valuable assets from within your general ledger.

EXO Finance (Core Module)

Provides a complete and rich set of accounting, inventory control, sales and purchasing management.

EXO Job Costing

See the lifecycle of a job from quote and budget through to profitability analysis and variance reporting.

EXO Intercompany

Process your general ledger transactions from all you businesses into a single company.

EXO BUSINESS
