Momentum Payroll Link

Momentum Payroll Link is a custom Integration for MYOB EXO Business, MYOB EXO Job Costing & MYOB EXO Payroll. Payroll Link auto-inserts and updates employees from EXO Payroll into MYOB EXO Business (Staff) and Job Costing (Resources) therefore preventing duplicate data entry.

Benefits of Momentum Payroll Link

- Removes manual process and data entry
- Saves time
- Reduces errors

Recommended Uses

- A must for businesses that use Job Costing integrated with Payroll especially labour hire businesses.
- EXO Businesses with multiple users

KEY FEATURES AND BENEFITS

- Payroll Link automatically updates EXO Business & Job Costing on a timed schedule
- Employees ticked as 'Job Cost Employees' in EXO Payroll are added as Resources in Job Costing (so timesheets can be entered)
- Employees that are terminated are automatically updated in EXO Business and Job Costing.

A comprehensive business solution from MYOB

If you are interested in Momentum Payroll Link or customising your EXO business management solution for an even more tailored result and have some very specific requirements, we can help.

System Prerequisites

Customer must have installed MYOB EXO Business.
Microsoft .Net framework v4.0 must be installed on the server and any PC that will run this module.
If you intend using any of Momentum's customisations, we recommend ensuring the following URL is not blocked:
