

Merging Superannuation Funds in MYOB Advanced Overview

Over the last year there has been a lot of movement with Australian Superannuation funds. Funds have been merging and closing.

To assist with this MYOB have introduced the ability to merge super funds. This merge moves employees over to the new fund (*this will need to be added first*) and also moves any superannuation transactions that have not yet been submitted to your clearing house.

Below is a list of Super funds and their USI. (Note: this may not be a complete list)

Process:

- 1. Check which funds have been impacted and so far not dealt with in your Advanced Payroll
- **2.** Check the details of the new fund required.
- 3. Create new funds
- 4. Merge the funds
